

# cc540 The allround performer

- ▶ Features **large, padded ear caps** to effectively block out noise, improve concentration and comfort
- ▶ **Ultra Noise Canceling** blocks out a maximum of ambient noise, making your voice easier to understand
- ▶ Ideal for extended periods of heavy-duty use in high noise-level, open-plan offices and contact centers

**ActiveGard™**  
An active guard for your hearing

The CC 540 is the headset for maximum productivity. The binaural headset offers powerful, precise sound to both ears for optimal understanding. Its durable construction makes it perfect for any type of office or professional communication.

- ▶ **ActiveGard™** safeguards the user from the effects of an acoustic burst
- ▶ **Independent, double-sided headband adjustment and self-adjusting ball-mounted speaker capsules** allow perfect fitting to the head
- ▶ **300° adjustable microphone boom** allows microphone to be positioned exactly for optimal speech clarity. Teflon®\* washer support increases positioning accuracy, stability and ensure optimal durability.
- ▶ **Unique comfort pads** in the headband and **specialty padded ear caps** distribute pressure and ensure remarkable comfort even during extended wearing time
- ▶ Binaural headset ensures maximum block out of background noise, increasing concentration and efficiency
